

Be Idle Free

Make a Big Difference with Small Changes!

BY BEING IDLE-FREE, YOU CAN:

- **Breathe Easier** by preventing unhealthy exhaust from building up in and around your vehicle.
- **Save Money** by reducing fuel use.
- **Protect the Environment** by reducing idling emissions that contribute to smog.

REDUCE IDLING WITH SMALL STEPS:

- If you know you're going to wait, turn your vehicle off.
- While reducing idling around town is great, you should never turn your vehicle off in traffic!
- Newer, gasoline powered vehicles do not need idle time on cold mornings.
- Don't turn on your vehicle until you are ready to leave.
