## Proclamation

Whereas, Utah had the first Idle Free campaign in the nation, and 2017 marks the ten-year anniversary of the first *Idle Free Declaration* issued by a Utah governor;

Whereas, idling vehicles emit particulate matter and other pollutants that, when inhaled are known to cause serious health problems;

Whereas, the Utah Clean Cities, along with all Utah School Districts, and the Utah State Board of Education developed and put into place a school bus idling reduction program, and elementary student education plan, informing youth and the general public about the benefits of reduced idling;

Whereas, throughout the past ten years, the Idle Free Education Program has reached more than 10,000 students across 400 schools;

Whereas, Mayors representing their respective cities are applauded for their support of this very important endeavor:
